

Pictorial Review of County Farm at New Paltz

Upper left—Administration building, flanked on right by men's dormitory, a modern building where modern conveniences are afforded those who live there. The women's quarters are similar. Upper right—The clean, neat piggery, where animals thrive on food aplenty from mechanical troughs that prevent spilling. Files are few due to spraying.

Lower left—Healthy beef cattle grazing on pasture strip along road. Lower right—Flock of black-faced Suffolk sheep that is increasing. The home has 24 for food. In the spring 80 pounds of wool was sheared. (Freeman Photos)

300 Fertile Acres Furnish Produce, Livestock for Home

Fields Green Despite Dry Spell; Plenty of Food Ready for Winter

There may be a long, cold winter ahead but residents of the Ulster County Home at New Paltz are going to be snug and well fed if the amount of livestock and produce now being raised is any criterion.

Superintendent Kenneth R. Hoffman, whose duty it is to supervise the institution, assisted by Albert Rook, institutional farmer, has done an unusual fine job in spite of douth conditions which have plagued farmers during the past six weeks.

Fields of the nearly 300 acre county farm are green, the livestock are thriving and the livestock fat and well kept.

Edward E. Murray, county commissioner of public welfare, under whose jurisdiction the county home is operated is justly proud of what has been accomplished and points with pride to the fat cattle, pigs, sheep and chickens which will go into the larder to maintain the residents of the county home.

Crops Plentiful

As proof of the success of the home gardens, during the second week of July 2,300 ears of sweet corn were harvested and sold, and there will be several subsequent pickings. On the day a Freeman reporter visited the county home, an employee operating a modern tractor and harrower came in from the field and reported he had harvested and sacked 100 bushels of wheat that day. There is an 18-acre wheat field which will yield many more bushels.

Across from the administration building and the two buildings which house the men and women residents at the home, the corn grows lush and tall to form a background when The Freeman took pictures of the registered thoroughbred Hereford herd of seventeen cows, six calves and a bull. Next fall these calves will be fattened on the corn and go into beef to feed the residents.

Across the road is a modern piggery with automatic feeding troughs where the little pigs may help themselves at will to feed.

No Waste, All Clean

"The automatic feed troughs allow the pigs to eat at will and still no feed is wasted as they grow fat on the trough," said Superintendent Hoffman and he proudly pointed to the neat, clean condition of the new pig house which was recently erected. There everything is clean and neat. Daily scrubbing and cleaning keeps it that way. The pig house was being built and the concrete block and wood pig house are large pig yards with cement floors which can be kept clean. These yards are built up of cinder blocks and provide ample exercise space.

Back of the piggery are additional buildings with "tricky" feed troughs which swing to permit feeding without the pigs getting in the trough during the operation. There are ten pens in the house and outside the concrete block and wood pig house are large pig yards with cement floors which can be kept clean. These yards are built up of cinder blocks and provide ample exercise space.

Eleanor Refuses Reply to Spellman On School Aid

New York, July 23 (AP)—Mrs. Franklin D. Roosevelt will not reply publicly to a statement by Francis Cardinal Spellman criticizing her for opposing federal aid to Catholic schools.

Malvina Thompson, secretary to the wife of the late President, said last night Mrs. Roosevelt would make "no comment whatsoever" on the Cardinal's statement.

The New York archbishop, in a letter to Mrs. Roosevelt which he made public yesterday, attacked Mrs. Roosevelt for opposing federal funds for parochial and private schools in her daily newspaper column.

"Whatever you say in the future," Cardinal Spellman wrote, "your record of anti-Catholicism stands for all to see—a record which you yourself wrote on the pages of history which cannot be recalled—documents of discrimination unworthy of an American mother."

Mrs. Roosevelt's secretary said the former First Lady would answer the Cardinal's letter, but would not make her reply public.

In her column of June 23, in which she expressed opposition to the use of federal aid funds for non-public schools, Mrs. Roosevelt wrote:

"The separation of church and state is extremely important to any of us who hold to the original Constitution."

(Continued on Page 10, Col. 6)

Original of 1846 State Charter Among Freedom Train Exhibits

Rich and poor men alike were given an equal voice in the government of New York State for the first time in the State Constitution of 1846, the original of which will be among the documents on one of the three exhibit cars to appear here on the New York State Freedom Train August 16 and 17.

The removal of property qualifications for voting was one of the many reforms attained in the 1846 Constitution. Until then a feudal-like tenure system existed in the state. Men who worked the soil of large patroon manors, such as the Van Rensselaers and the Livingstons surrounding Albany, could never gain title to any part of this land before 1846.

An anti-rent movement arose to protest this condition. Riots throughout the state made it necessary to call out the militia to restore order.

The state at that time had fallen heavily in debt due to an extensive program of internal improvements, financed largely by borrowed capital. Since the Constitution of 1821 had been framed the population of the state had doubled. Popular education was more general. The entire economic picture had been altered—manufacturing had developed and increased trade and commerce opened new channels of activity. Railroads were being built and revolution in communications had taken place with the invention of the telegraph.

The people of New York State

Canada Has Lead In Atomic Control

Los Angeles, July 23 (AP)—It will be 10 to 20 years, before useful civilian applications of atomic power can be expected. Right now Canada is ahead in that field.

Dr. Lawrence R. Hafstad, director of reactor development for the U. S. Atomic Energy Commission, is authority for the remarks, made last night before the Institute of Aeronautical Sciences.

Canada has the world's most advanced atomic reactor, a device for the controlled release of atomic energy and the basis of any civilian atomic development, Dr. Hafstad said.

A.L.P. Secretary Asks Spaulding Be Discharged

New York, July 23 (AP)—The state executive secretary of the American Labor Party called today for the removal from office of State Education Commissioner Francis T. Spaulding.

Arthur Schutler, accused the commissioner of "instituting a reign of terror among teachers" by his order directing local school boards to take "positive action" to eliminate subversive employees from the public school system.

Spaulding issued the order yesterday in a pamphlet pamphlet titled "The Separation of Church and State" under the terms of the 1940 Feinberg Law.

Schutler termed the Feinberg Law "a gross violation of the Constitution" and "a gross violation of the Constitution."

Man, 72, Is Held In Hammer Death And Brutal Attack

Odd Job Worker Denies Connection With Case; Witness Says He Saw Him Run

Omaha, July 23 (AP)—An elderly man, sought for questioning in connection with the hammer slaying of a 79-year-old woman and the brutal beating of two other women, was apprehended today.

Sarpy County Chief Deputy Sheriff Jack D. Risor said George Froman, 72, was taken near the isolated farmhouse where the women were attacked last night.

Froman, an odds job man who roomed at the farm, was to be questioned later today in connection with the beatings, Risor said. When arrested, Froman denied any knowledge of the attacks, the deputy added.

Clad only in his underwear, Froman was seen running from the farm shortly after the women were beaten, Sarpy County Chief Deputy Sheriff Jack W. Risor said.

The dead woman was Mrs. Molly Fritz. Her sister, Mrs. Laura La Duke, was in fair condition in Douglas county hospital.

In Omaha, Mrs. La Duke's daughter, Mrs. Paul Gibson, 50, was described as in good condition in the same hospital.

"The farm house occupied by the three women and another occupied by Louis Gibson, Mrs. Gibson's son, are about two and a half miles from Omaha. They are a quarter of a mile from any road."

Gibson, returning from the fields last night, saw his mother running from the house. At the same time, he told the deputy sheriff, he saw Froman, clad only in his underwear, dart from the building and disappear into a cornfield in the opposite direction.

Mrs. Gibson told the deputy sheriff that Froman had been asked to move because he had been drinking recently.

He did not leave, however, and last night the three women took down his bed. When Froman discovered this, she said, he became enraged and attacked her. Mrs. Gibson said the two elderly women were beaten when they came to her rescue.

Asks Federal Aid

Washington, July 23 (AP)—"Giant forces" in the textile industry on one hand and retail buyers on the other have many women's garment makers in a dangerous squeeze, a union witness told a monopoly inquiry yesterday. Dr. Lazare Repert, research director of the International Ladies Garment Workers' Union, called for government help through regulation, or through self-regulations by the manufacturers, with government recognition of their rules.

Allee Scores Platform

Durham, Eng., July 23 (AP)—Prime Minister Atlee today called the new Conservative Party platform "one of the most dishonest documents I have ever read."

Speaking at an annual gathering of English miners, Atlee said the Conservative program—announced this morning and being amplified at Wolverhampton today by party leader Winston Churchill—was "only a great piece of window dressing."

Glenerie Crash Is Fatal to Two Brothers; Three Are Injured In Triple Collision on Friday

Senate Committee Approves Spending to Halt Depression

Labor Government Leads to Peril, Is Churchill Charge

Cites Looming Economic Collapse at Home; Says Other Nations to Feel Blow

Wolverhampton, Eng., July 23 (AP)—Winston Churchill asserted today that the British Labor Government has led Britain into imminent peril of communism and national bankruptcy.

The Conservative Party leader said an economic collapse is looming which would "carry many other nations with us into chaos and communism."

In a major policy speech prepared for a party rally at the Wolverhampton football stadium, Churchill declared the Socialists have failed to put forth any effective plan to meet the danger.

The wartime prime minister's address came on the heels of the Conservative Party's 20,000-word statement of policy, entitled the "right road for Britain's which was published last night."

"They have squandered the resources and resources which had been gathered in the past," said the 74-year-old wartime prime minister, "and have darkened and narrowed the future of every man, woman and child in this famous island."

He said every other country west of the Iron Curtain has made a better postwar comeback than Britain—even beaten Germany and Italy.

His Solution

Churchill told his listeners the cure for this country's condition is to "return to a system which provides incentives for effort, self-denial, initiative and good house-keeping."

He promised that the Conservatives will apply the cure if they are restored to power in the next general election, which must be held now and mid-1950.

All 40,000 tickets for the soccer arena of this midland's industrial city were sold out for Churchill's address, which was billed as the major opening act.

Nazi Ambassador Gets 20-Year Term

Paris, July 23 (AP)—Otto Abetz was sentenced yesterday to 20 years at hard labor for war crimes committed while he was Nazi ambassador in occupied Paris.

A 12-man military tribunal deliberated for about an hour and 50 minutes over testimony presented since the trial began July 12.

The 46-year-old Abetz was charged with complicity in the killing of Georges Mandel, former French minister of the interior, aiding in sending French Jews "to the east," aiding in deportation of Frenchmen for forced labor in Germany, pillaging of French art treasures and other crimes.

Abetz contended he had always worked for a German-French understanding and during his term as ambassador had done many things to aid France in the face of harsh orders from Berlin.

The conviction and the 20-year penalty were recommended by the prosecution. Abetz has been held by the French since he was captured at a Bavarian health resort Oct. 25, 1945.

Ship in Trouble

Seattle, Wash., July 23 (AP)—The motor vessel Skuboo flashed an SOS early today that its engines had stopped about 445 miles west of Cape Flattery, Wash., and shifting cargo had caused it to list heavily to port. Lifelines were lowered in readiness to abandon ship, if necessary. Minutes after the distress message was picked up by the coast guard here, the U. S. Army transport James O'Hara radioed it was only 38 miles away and was proceeding to the Skuboo's assistance.

Katyids Say Frost

The loud, shrill sounds of the katyids have been heard this week by residents of Lake Katrine. It is said that these harbingers of frost are away ahead of schedule as they usually give their warning about the first week in August. Weather prognosticators say when you hear katyids—katyids, frost is but six weeks away.

Asks Public Works Program to Give \$100,000,000 to States

Washington, July 23 (AP)—An official report of soaring government payments to jobless workers gave a push to Congressional "anti-depression" campaigns.

The Bureau of Employment Security announced that unemployment insurance payments hit a record monthly level of \$154,686,000 in June.

Director Robert C. Goodwin said the largest previous total for any month in the history of the law was \$152,096,345 in March this year.

Nearly 100,000 more jobless workers received unemployment benefits each week in June than in May, he said.

Already moving to check this trend, the Senate Public Works Committee yesterday approved unanimously its so-called "anti-depression" bill authorizing the government to advance \$100,000,000 to states and communities for planning a public works program.

Want Longer 52-20

The Senate Labor Committee approved, also unanimously, a bill extending the 52-20 law authorizes federal pay up to \$20 a week for 52 weeks to jobless veterans. The government has spent \$3,620,000,000 on this program since September, 1944. About 600,000 veterans now are drawing benefits.

The Employment Security Agency said that total unemployment benefit payments during the first six months of this year were about \$800,000,000, almost twice the amount paid out during the same period last year.

The average weekly number of claimants in June was 1,814,000.

Glenerie Crash Is Fatal to Two Brothers; Three Are Injured In Triple Collision on Friday

Washington, July 23 (AP)—Senator Taft (R-Ohio) came out today against a proposal to earmark about \$1,500,000,000 in European recovery funds to buy American farm surplus.

Taft, who heads the Senate Republican Policy Committee, told a reporter he is opposed to the committee-approved amendment to the \$3,778,000,000 economic cooperation administration money bill.

The amendment, sponsored by Senator McClellan (D-Ark.) also would require the army to buy about \$500,000,000 in surplus farm products, freezing these and the E.C.A. funds against being used for any other purposes.

E.C.A. Administrator Paul Hoffman has contended the right surplus buying requirement on his agency would hamstring operations and force foreign countries to take cotton and other commodities they may not want.

Taft said he thought the amendment is "unwise."

"I don't think we ought to be enacting a farm relief program in this bill," Taft said.

The Ohio senator added, however, that he is likely to support in next week's Senate debate on the measure two other amendments opposed by Hoffman. The Senate will resume discussion of the bill Monday. Senator Lucas of Illinois, the Democratic leader, said he hopes for a vote Tuesday.

Taft said he may back an amendment sponsored by Senator McCarran (D-Nev.) which would tie up \$50,000,000 in E.C.A. funds for loans to Spain.

"I'm in favor of a loan to Spain, but I am not certain this is the way to do it," the Ohio senator said. "I'll have to know more about it, but I may vote for it."

He will support, Taft said, a committee-approved amendment cutting \$74,000,000 off E.C.A.'s spending program for last April, May and June.

Hoffman contends Congress told him to go ahead and spend \$1,074,000,000 in that period. He said he made practical commitments for all of it. The committee decided that it didn't want \$74,000,000 of those pledges carried out in cash outlays.

Lucas predicted defeat of this and other committee-approved amendments to the bill, including (Continued on Page 10, Col. 2)

Wants New Regime

Brussels, Belgium, July 23 (AP)—Prince Regent Charles has asked Social Christian Gaston Eyskens to form a new government.

Eyskens is the third man to try to form a new cabinet since Premier Paul-Henri Spaulx, a Socialist, resigned following parliamentary election. Neither Franz Van Cauwenbergh nor Paul Van Zeeland, both Social Christians, succeeded in forming a coalition which could obtain majority parliamentary support.

Blood Program Is Explained At Annual Red Cross Dinner

"Our desire to have research scientists make many more vital discoveries about blood is one of the many reasons for the national blood program," Paul F. Hancock told about 60 listeners at the annual dinner meeting of the local Red Cross Chapter Thursday night.

Hancock, a veteran of overseas service with the Red Cross, is the blood program field representative of the Syracuse Regional Blood Center.

The annual dinner meeting was held at the Fair Street Reformed Church when various reports were submitted by the officers. Election of officers and new members of the board of directors also took place.

The guest speaker supported the blood program with various reasons although some persons have questioned its value.

Hancock declared, "we need a blood program because we, as citizens, believe in putting into the hands of doctors the tools which can so effectively improve the health in the community." He cited the use of gamma globulin which is being used by doctors to inoculate against measles.

He also added, "we need this program because we want to see research scientists make many more vital discoveries about blood."

The guest speaker described the beginning of the program several years ago before the start of World War 2 when doctors

Taft Against Use Of Recovery Funds To Buy Farm Goods

Administrator P. Hoffman Says Surplus Plan Would Hamstring Operation

Washington, July 23 (AP)—Senator Taft (R-Ohio) came out today against a proposal to earmark about \$1,500,000,000 in European recovery funds to buy American farm surplus.

Taft, who heads the Senate Republican Policy Committee, told a reporter he is opposed to the committee-approved amendment to the \$3,778,000,000 economic cooperation administration money bill.

The amendment, sponsored by Senator McClellan (D-Ark.) also would require the army to buy about \$500,000,000 in surplus farm products, freezing these and the E.C.A. funds against being used for any other purposes.

E.C.A. Administrator Paul Hoffman has contended the right surplus buying requirement on his agency would hamstring operations and force foreign countries to take cotton and other commodities they may not want.

Taft said he thought the amendment is "unwise."

"I don't think we ought to be enacting a farm relief program in this bill," Taft said.

The Ohio senator added, however, that he is likely to support in next week's Senate debate on the measure two other amendments opposed by Hoffman. The Senate will resume discussion of the bill Monday. Senator Lucas of Illinois, the Democratic leader, said he hopes for a vote Tuesday.

Stickles Is Named Regular Patrolman

Charles C. Stickles, 27, of Danigan Place, was appointed regular patrolman on the police department during the regular meeting of the police board Friday. Police Chief Raymond Van Buren said today.

Patrolman Stickles received a temporary appointment January 26 of 1949 and has been on duty since February 1.

Boy Expected His Death

Albany, Pa., July 23 (AP)—Thirteen-year-old Ronald Wagner finished his newspaper route, stumbled up the steps of his home and gasped: "Mother, I'm going to die—I've got such a terrible pain in my head." Rushed to the hospital Ronald died yesterday of a brain hemorrhage. Deputy Coroner Edgar Walls said Ronald was struck in the head three days ago by a thrown baseball during a sandlot game.

Polio on Increase

New York, July 23 (AP)—The health department reported today that 17 new infantile paralysis cases were recorded in the city in the last 24 hours. The new cases boosted to 189 the total recorded so far this year.

Richard, Edward Quinn of New York Succumb Soon After Admission to Kingston Hospital

N. Y. Man Hurt

Charles and Stella Esch of Saugerties, Two of Motorists Injured

Richard A. Quinn, 50, of 300 East 35th street, New York city and his brother, Edward A. Quinn, 49, of 591 First avenue, New York city, received fatal injuries Friday afternoon about 5 o'clock when a 1949 Mercury sedan ran off the paved highway at Glenerie, then swung back and struck two cars traveling south. Both men died shortly after being admitted to the Kingston Hospital.

The accident happened near the Spence gas station on Route 9-W.

Traveling north the sedan, owned by John Foley of 7 Kaanda Boulevard, New Hyde Park, L. I., and operated by Edward Quinn apparently went out of control, state police at Lake Katrine report. The car ran off the paved roadway and then shot back and over to the south bound lane striking two cars traveling south.

Saugerties Car Hit

Struck was the Buick sedan of John Collins, 48, of 231 Second avenue, New York city, traveling south. James Collins, a passenger, was taken to Dale Sanitarium in Saugerties for treatment by Dr. Lester Sinking of Saugerties at the scene. Also hit by the Mercury was the 1934 Ford coach of Charles Esch, 50, of 223 Park street, Saugerties which was traveling south behind the Collins car.

Collins suffered from shock and bruises and Stella Esch has a possible fractured hip, fractured ribs and an elbow injury. She was taken to the Dale Sanitarium in Saugerties.

Troopers Investigate

State police from the Lake Katrine barracks made an investigation. Sheriff Smith was notified of the accident and deputies went to the scene to assist in the investigation.

Coroner Ernest A. Kelly was called and issued certificates of death. Richard Quinn's death, his report stated, was due to multiple fractures of malleolus and fracture of temporal mandibular socket.

Edward Quinn, a World War 2 veteran, died from a compound comminuted fracture of the skull and meningeal hemorrhage.

Both victims will be buried Monday in Calvary Cemetery, New York City. Charles Esch, 132 East 28th street, New York, arrived in Kingston this morning and took the bodies to New York.

SUNDAY CHURCH SERVICES

(Notices for this column will not be printed unless received by 1:30 o'clock Friday afternoon at the downtown editorial office.)

Adorn Hill Wesleyan Methodist Church, the Rev. Dennis Osgood, pastor—Services every Sunday at 8 p. m. All are welcome.

Holy Trinity Church, Highland, the Rev. Harold C. Swezy, vicar-in-charge—Holy Communion and sermon at 9:30 a. m.

East Kingston and Glasco Methodist Churches, the Rev. Fred H. Denning, minister—East Kingston, 9:45 a. m.; Glasco, 11 a. m.

Church of the Ascension, Episcopal, West Park, the Rev. Harold Curtis Swezy, rector—Holy Communion and sermon at 11 a. m.

Lloyd Methodist Church, the Rev. Lee H. Ball, minister—Sunday, 9 a. m., church school and sermon on "Keep Faith in Human Possibilities."

Reformed Church, Bloomington, the Rev. David C. Weidner, minister—Public worship, 9:45 a. m., with sermon on the subject, "Lives That Lift." Adult class of Sunday school at 11 a. m.

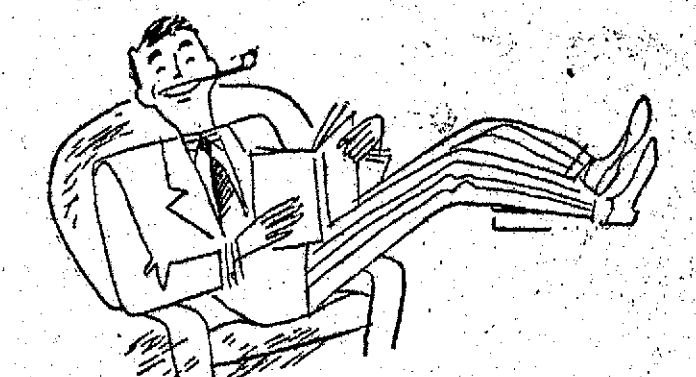

Shoken Reformed Church, the Rev. Richard B. Coons, pastor—Men's Bible class, 10 a. m. Worship service and pastoral sermon, 11 a. m. Wednesday, 7:30 p. m., choir rehearsal.

Reformed Church, St. Remy, the Rev. David C. Weidner, minister—Sunday school, 10 a. m. Public worship at 11:15 a. m. with sermon subject on "Lives That Lift."

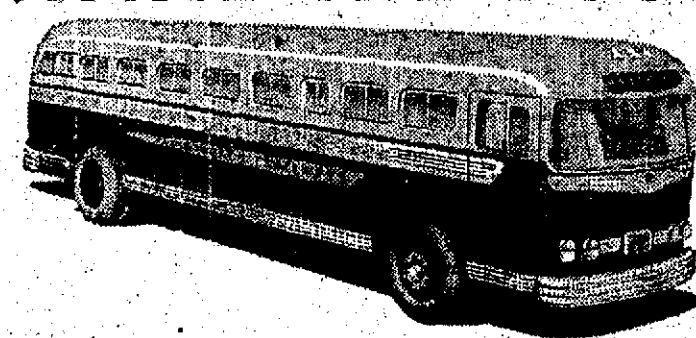

New Paltz Methodist Church, the Rev. Lee H. Ball, minister—"Keep Faith in Human Possibilities" is the subject of the sermon at 10:30 a. m. The nursery will be in charge of Mrs. Herbert L. Phillips and Miss Alice Jones.

Flatbush Reformed Church—Church school, 9:45 a. m. Worship service at 10:45 a. m. with sermon on the text, "I Have Set the Lord Before Me." At 8 p. m., meeting of the Y.P.S.C.E. at the parsonage.

New Central Baptist Church, 229 East strand, the Rev. Philip N. Saunders, pastor—Sunday school, 9:30 a. m. Devotional service by the deacons at 10:30 a. m. Music by the junior choir at 11 a. m. and preaching by the pastor at 11:30 a. m. At 6:30 p. m., B.T.U. preaching by the pastor at 8 p. m. Monday night, Missionary meeting.

The devotion on Monday through Friday, at 8:45 a. m., will be conducted by the Rev. Marshall M. Smith, pastor of the Franklin Street Zion Methodist Church, Saturday, at 8:45 a. m., the Sunday school lesson for the following day will be presented by the Rev. Raymond J. Fontler, pastor of the Comforter

ELLENVILLE NEWS

Ellenville, July 23.—The plan to modernize and more than double the bed capacity of the Veterans Memorial Hospital by erecting a large addition is to be put into effect at once, according to announcement made this week. Authorization to begin the work of construction was given by the board of directors at their monthly meeting Monday night. It followed the report by Michael Rosenstock, chairman of the building committee, that the State Board of Charities had approved plans for the new construction. It is expected that the work will begin within three weeks, under supervision of Architect E. P. Valkenburgh. The addition will provide for an increase of 24 beds, giving the hospital a capacity of 46 beds. There will be a completely separate obstetrical department and increased surgical facilities, also a modern elevator. Cost of the new construction is expected to be less than \$100,000, of which the board of directors has on hand over \$50,000. According to President Robert V. Stapleton, an appeal will be made for additional funds and a portion of the cost will be financed if necessary. "The action of the board follows three years of study and investigation and it is stated that it has been found that this project is not only the most possible type of hospital for the community."

The Ellenville Hotelmen's Association, has presented to an American pioneering group in Israel a Farmall tractor and complete set of implements. The gift was turned over to Asher Gray, representative of the colony of Mitzpeh Zichron, on the Syrian Israeli frontier Tuesday morning. Mr. Gray, on a special mission to the United States, is a nephew of the late Dr. Akini and Mrs. Akini and is a graduate of Ellenville High School. "It is announced that services will be held at the Friends Meeting House, Grahamsville, Sunday, July 24, at 11 a. m., with Loring Crossman, pastor, of the Congregational Church of Danbury, Conn., the guest speaker. Robert Pomeroy will represent the Wawarsing Sportsmen's Association at the Conservation Commission School, Willowemoc, August 1 to 10. The Grahamsville school district is returning to his work. Dr. Inbanathan's topic tomorrow will be "Putting Christianity to Work" and will comprise a report of the Christian experiment in national India.

Johnston, N. Y., in 1875, son of Thomas S. and Louisa Dayton Thornton, died Monday at the Veterans Memorial Hospital following a long illness. He was a member of the Reformed Church and the Masonic Lodge. Mr. Thornton had been a resident of Ellenville, where he owned a theatre. Mr. Thornton is survived by his wife, the former Mabel Gray of Middletown; a sister, Mrs. Myer S. Gros of Grahamsville and a number of nephews and nieces. Funeral services were held at the Chazyville Reformed Church Monday for Martin Hamilton, 73, a prominent and well-known citizen of the town of Denning until his removal to Sugar Loaf 18 years ago. He was long active in Republican politics and served as supervisor of Denning for six years. He is survived by his wife, Mrs. Myrtle Briggs Hamilton, two daughters, Mrs. E. J. Moore of Kerhonkson and Mrs. Andrew Vandemark of Accord; a sister, Mrs. Jennie Burger of Kingston; a half-sister, Miss Sarah Hamilton of Saugerties; a foster son, Edward Hamilton of Nanuet; six grandchildren, nephews and nieces. Arthur Holt of Cragmoor and Syracuse, president of Bleakley Fields, Inc., of Cragmoor, died at Memorial Hospital, Syracuse, July 16 after an illness of several months. Mr. Holt was born in England, March 11, 1888. For 30 years he had been chauffeur in the family of Miss Jessica Bruce of Syracuse and Cragmoor. Over an inch of rain fell in Ellenville Wednesday evening, according to the New York Board of Water Supply gauge here. There were several heavy showers, during the course of an hour, starting about 6:30. Recent births at the Veterans Memorial Hospital: Daughter to Mr. and Mrs. William Miesmer of Kerhonkson; daughter to Mr. and Mrs. Eugene Conroy of Ellenville; daughter to Mr. and Mrs. DeWitt Clinton of Ellenville; son to Mr. and Mrs. George J. Hadley of Ellenville. The Ellenville Noonday Club will hold its third annual dinner party at Cragmoor Inn Wednesday, July 27, at 6:30 p. m. Mr. and Mrs. Francis Damms have announced the engagement of her sister, Miss Beatrice J. Bellman to Alan Wheeler, son of Mr. and Mrs. Harold E. Wheeler of Ellettsburg, Conn. The wedding will take place September 5. Willard E. Peet, son of Justice and Mrs. Willard H. Peet, has received word that he has been accepted for a four years course in Buffalo State Teachers College. Examiners from the State Board of Audit and Control are coming over the town of Wawarsing accounts for 1946, 47 and 48. Mrs. Helen Russell of Staten Island, with her granddaughter, Miss Holly Rauske of Montclair, N. J., are visiting Mrs. George B. Holmes and Miss Louise Catlin. Mrs. Roy Hill and daughter have come to spend the summer with Mrs. Miller's parents in England. Mrs. Sadie Wikeman, Mrs. Myrna Donaldson and Mrs. Dorothy V. Horner are attending summer classes at the Kingston Art School, Cragmoor, Dixon and family and her mother, Mrs. Lewis Brooks, left Sunday for Miami, where the Dixons will fly to South America, where Mr. Dixon is stationed. Earl Porter suffered a heart attack Monday morning and was removed to the Veterans Memorial Hospital. Mrs. P. P. Pulling and son are spending some time with the Rev. Donald H. Spencer and family at their camp in Vermont. Mrs. Jennie M. Edsall of Red Hook is spending a couple of weeks with Mr. and Mrs. Fred J. von Saugerties; a foster son, Ed-

Blame U. S. Egg Powder

Moscow (A)—The Soviet medical paper "Medical Worker" claims that large numbers of Europeans are suffering from stomach ailments as a result of eating Marshall Plan egg powder. "Medical Worker" claims that most American egg powder sent to Europe is infected with bacteria of the salmonella family, dangerous bacteria held responsible for epidemic meat poisoning and other serious diseases. "Medical Worker" cited an essay by a German doctor which appeared in the American zone of Germany. The Soviet paper said the German doctor had been exceedingly careful not to draw any conclusions from his study, but that he had given the basic facts.

Square-Edged Subfloor

In summer homes which are not heated in the winter flooring engineers recommend the use of square-edged boards for sub-flooring. The boards should be laid about one-eighth to one-fourth inch apart to allow for possible expansion from absorption of moisture.

Early Blast Furnaces

In primitive blast furnaces, hand-operated bellows of skin inside cylinders supplied air to a mixture of iron ore and charcoal in a fire.

Skunks are found only in the new world.**Clapboards Are Popular**

Clapboards are still one of the most popular siding materials, especially on Cape Cod or Colonial style homes. Wide widths of six or ten inches are used to good effect on the popular ranch-type house and in variations on almost every kind of home.

Although clapboards of red cedar, redwood, and white pine are most widely used, they are not limited to wood, being made now of asbestos, metal and other fire-resistant materials.

New Laundry Tub

Production of a new single compartment laundry tub has just been announced by a manufacturer. It is made of ceramic materials and is intended especially for small homes or apartments where it may be used singly as a laundry tub or as an auxiliary to the washing machine, says the Plumbing and Heating Industry Bureau.

Mothproof Hangers

The new plastic clothes hangers have moth crystals right in the frames, thus solving the problem of keeping moths from feasting on clothes.

Cool Lighting

One advantage of fluorescent lighting is that it is cool, permitting a higher level of illumination without a corresponding rise in temperature.

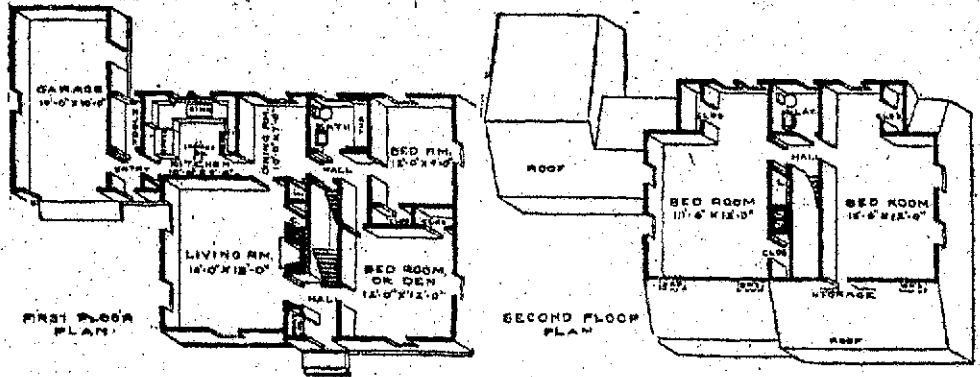

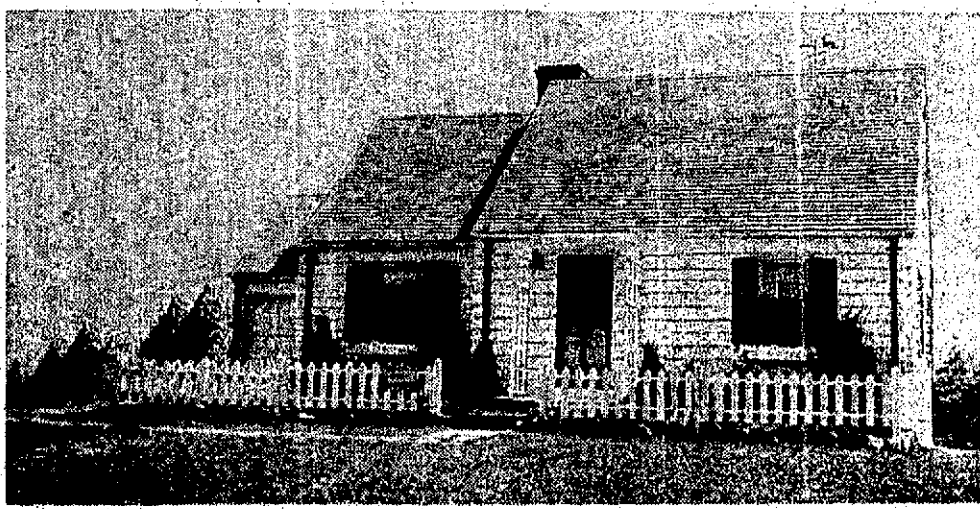

Storm Windows Are Staging a Comeback

Such windows are staging a strong comeback, according to builders, architects and manufacturers engaged in producing glass and window sash.

Thirty or 40 years ago these extra window glasses were considered necessities in many sections where winters were long and cold, and heating was sketchy at best. With the coming of new types of heating systems, and the adoption of the practice of insulating houses, the need lessened to some extent. In order to effect a saving in building costs, storm windows gradually fell into disuse.

The awakening of home owners to the possibilities of comfort and efficiency afforded by double glazing has re-created popularity for insulating glass, and storm windows are once again being widely used.

By having two thicknesses of glass in place of one and because there is a mass of dead air between the two panes, cold from the outside cannot reach the interior of a house nearly as readily or intensely as when only a single window is used. A savings in fuel that will in a short period pay for the costs of double glazing is possible where the windows are thoroughly weatherstripped before the second sash is installed.

THE WOBURN

Size 27'-0" x 32'-0" Cubage (House only) 19,200 feet.

Spacious Dwelling Has Doll-House Lines**Plan Is Arranged to Allow Development in Easy Stages**

Although it looks as tiny as a doll house, and as charming, with its trellised entrance, window boxes and white picket fence, "The Woburn," today's house design from the Home of the Week Plan Service, actually contains more room than most of the dwellings being built today.

Within its walls, the architect has managed to provide seven good rooms, plus a bathroom, a lavette and 10 closets. And there is an attached one-car garage.

The house has been so laid out that it can be developed in easy stages. The main portion of the dwelling would be built first but the upper floor would be left unfinished until some later date. The garage could also be left as a future addition.

Requires 60-Foot Frontage
The main house measures 27x32 feet and contains 19,200 cubic feet of space. The garage wing has a cubic content of 3300 feet. If the garage is to be built, a show in the accompanying picture, a wall with at least 60 feet frontage will be needed.

In view of today's high cost of heating, the plan includes a good economy feature. The architect suggests installing a heat-circulating unit in the living room fireplace. By closing off the room during the day this device would substitute for the furnace in keeping the house comfortable except in severe winter weather. The second floor is closed off by a mirrored door at the foot of the stairs, opposite the front entrance. Complete insulation of the house is recommended.

Fills Eliminated
Unnecessary fills have been eliminated and costs kept down through use of stock items in construction.

The first door opens into a small T-shaped hall with a coat closet at the left. A door directly ahead closes off the stairs to the second floor; another at the right, shuts off the bedroom or den. An arch at the left of the hall, opens into the living room.

The living room measures 16x13 feet. It is lighted by three windows on two exposures. The fireplace is centered in the side wall, with a storage closet at the left of it. A door in the other inside wall gives access to a 10x7½-foot dining room. A linen closet is located in this room. Both the front bedroom (12x12 feet) and the rear bedroom (12x9 feet) contain spacious clothes closets.

Basement Is Roomy
The bathroom, is across the hall from the cellar stairway. The basement is planned to put the furnace for the house's heating system beneath the living room, laundry equipment under the kitchen, with a bulkheaded exit from the cellar to the back yard. This will leave cellar space under the first-floor bedrooms for recreation or storage.

The kitchen has a U-shaped layout, with a working counter, sink and refrigerator. A built-in ironing board and a broom closet are placed in the long inside wall of this 10x9-foot room. The service entry door is by the broom closet, opening on the passage which connects house and garage.

On the second floor is space for two bedrooms, connected by a short hall at the head of the stairs, with a lavette opposite the stair landing. A linen closet opens from this hall. Both upstairs bedrooms have drawers for storage built under the eaves. The smaller bedroom also has a door opening on this space, convenient storage of trunks and suitcases. The larger bedroom has two clothes closets; the smaller room one. Both bedrooms have windows on two sides. Complete plans and specifications for this "Home of the Week," or any other design of this series, are available at moderate cost. To ascertain the exact

price of these documents, write to the Home Building Editor, The Kingston Daily Freeman, and enclose a self-addressed envelope bearing a 3-cent stamp. At least one week should be allowed for a reply.

(Released by the Home of the Week Plan Service, Providence 6, R. I.)

Damp Spots on Surface of Walls

Damp spots frequently appear on the interior surfaces of walls, but, contrary to the impression of some home owners, they are caused by leakage through the walls.

Source of the trouble is usually found around window frames which are poorly built or improperly weatherproofed. These frames admit air and moisture, and the adjoining interior walls soon become unsightly with dirt and water stains.

Water, finding its way into the wall, around the window frame, may work along inside the wall and make a spot on the plaster surface several feet distant. Because of this, it is sometimes difficult to locate the source of trouble.

Home owners plagued by this annoyance should repair the windows and then cover the damage already done by a thorough repainting.

Copper Resists Elements

An average of 20 tons of water descends on each American home each year. Since it cannot rust, copper for gutters, downspouts and flashing, adequately resists effects of this attack.

Garage Adds to Apparent Size of Residence

Combining a garage with the room layout of a modestly-priced residence produces a home of more impressive size. Otherwise such a house may appear diminutive, now that the separate dining room is omitted from so many plans and dimensions of remaining rooms considerably restricted in an effort to bring home ownership within the reach of wage earners and "white collar" workers.

The pretentiousness resulting from making the garage an integral part of the house will not appreciably increase the average family's building budget, since most every home-building family must also have a garage.

Quite often, after the new home is well under way, erecting a garage, is found to be a major "extra," and there is always danger that unanticipated "extras" will make the home-building project oppressively burdensome for several years.

Reducing Fire Hazards

Many home owners forego the larger appearance a built-in garage gives to a house, also the added convenience, because they fear this arrangement will increase fire hazards and boost fire insurance rates. However, even in a frame residence, a built-in garage is easily made to comply with underwriters' rulings. Walls and ceiling should be finished with gypsum plaster on metal lath; the concrete floor should be at least a foot below the first-floor level of the house, and there should not be more than one opening equipped with a self-closing fire door.

Such a garage will have a "one hour plus" fire rating—its walls and ceiling will retard the spread of fire for well over an hour.

Try Wood Pulp Plaster

As a substitute for whitewash to brighten up old basement masonry walls, there is wood pulp plaster which can be obtained in bags from building material dealers. Mixed to the consistency of thick cream, the plaster is applied with a whitewash brush. It may be tinted with mineral colors, making an attractive finish.

Turpentine Long in Use

Turpentine is one of the oldest used paint materials.

Chimney Pots

Chimney pots are always a picturesque feature of the design of a house. They may be of many forms—simple pots for Colonial dwellings, or products of English, Gothic, Tudor or Georgian designs taken from old manor houses of England. For the city house, suburban home or country estate, these pots are practical and appropriate. They add a final touch that gives the chimney a definitely finished appearance.

To Prevent Accidents

To decrease accidents around the home, there is a new type rubber underlay that will anchor scatter rugs and runners securely to highly polished floors. Besides increasing the life of rugs, the new base is mothproof, sanitary and odorless and may be cleaned with a damp cloth. According to the manufacturer, it will not mar or stick to the floor.

Polishing Tip

It is a good idea to keep the furniture polish in a warm place. Not only will it spread more quickly, it will also do a more efficient cleaning and polishing job. Slightly dampening the dust cloth with hot water will also help spread the polish.

Dimsey-Zannucci Wedding Takes Place In Milton Rectory

The wedding of Miss Josephine Zannucci, daughter of Mr. and Mrs. Joseph Zannucci of New Paltz road, Highland, to John Dimsey, son of Mr. and Mrs. Bertram Dimsey, Fair street, Highland, took place Sunday afternoon in the rectory of St. James' Church, Milton. The Rev. Richard Kehoe officiated.

The altar was decorated with gladioli, garden flowers and candles. The bride who was escorted by her father, wore an ankle length gown of white tissue crepe trimmed with illusion and designed with sweetheart neckline, fitted bodice and full skirt. Her shoulder length veil of illusion was caught to a Juliet cap with orange blossoms. She wore long lace mitts and carried white roses with orchid center arranged on a prayer book.

Mrs. John Sopolzo, sister of the bride, as matron of honor, wore a powder blue tissue crepe gown, white Juliet cap, lace mitts, and carried yellow roses.

Mr. Sopolzo was best man. A reception was held at the Highland Grange Hall for about 200 guests. Mr. and Mrs. Dimsey left for a wedding trip to New York. For traveling, the bride wore a brown and white check suit of sharkskin with white accents and an orchid corsage. They will live in an apartment at the Dimsey home, Fair street, Highland.

Tanglewood Names Operas for Season

"Iphigenia in Tauris," a four-act classical opera by Christoph Willibald Gluck, will be revived at Tanglewood by the Opera Department of the Berkshire Music Center under the direction of Boris Goldovsky who will conduct the performances. The opera will be given in the theatre at Tanglewood, Lenox, Mass., Tuesday and Wednesday evenings, July 26 and 27 at 8:15 o'clock.

Benjamin Britten's "Albert Herring" will have its first performance in this country at Tanglewood, August 8 and 9. Both opera performances will be open by invitation to the Society of Friends of the Berkshire Music Center, which all who wish may join.

All participating in the production are students of the Berkshire Music Center. The part of Iphigenia will be taken by Mariquita Moli of New York; the part of Orestes by Roy Wilde, Philadelphia, Pa., and Robert McFerrin, New York, on alternating performances. The part of Phylas will be taken by Brent Williams, Los Angeles, Calif., and Jean Cox, Boston, Mass., on alternating performances. The scenery has been designed by Barbara Lawthers; costumes by Leo Van Witsen.

White Wins Two-Year Art Scholarship

Albert James White, 25, of 67 Wurts street, has been awarded a two-year scholarship for special home training in commercial art from the Art Instruction, Inc., Minneapolis, Minn. He is the first 1949 winner of such a scholarship in this state.

The award, won in competition with contestants from every state in the Union and Canada, was the result of the "Draw Me" contest sponsored by the Minneapolis firm. Over \$1,000 in prizes were awarded including three art scholarships valued at \$240 each.

White, a graduate of Kingston High School in 1942, received A ratings in art while at the school. He is employed by the Federal Ball Bearings Co., Poughkeepsie.

Orchestra Announced For St. Ursula Alumnae Dance

Speed Scherer's orchestra will play for the semi-formal annual summer dance given by St. Ursula's Alumnae Association at Ursula's Golf Club August 27. At the recent annual meeting of the association, Miss Betty Ann Flynn was elected president, Mrs. Randolph Kieffer, vice president, and Miss Elizabeth Dwyer, treasurer.

Committee chairman appointed by the new president for the dance include the Misses Elizabeth Dwyer, general chairman; Betty Ann Flynn, tickets; Patricia Cowdry, decorations; Maureen Davis, refreshments; and Jane Ann Forst, assistant dance chairman.

The Coming Week

McKENNEY ON BRIDGE

Knowing All Bidding Systems Helps Play

By WILLIAM E. MCKENNEY
America's Card Authority
Written for NFA Service

You will never become a good bridge player unless you constantly keep the bidding in mind during the play of the hand. A great many people today are taking up the point count system of bidding, which tells them that they must have 13 points to open the bidding. Most players who have learned to bid with the honor count system open the bidding with two and one-half honor tricks.

In today's hand South had three honor tricks, or quick-tricks if you prefer to call them that. But it so happened that he was using the point count system. He had a count of only 11 (four for each ace and three for the king). Therefore, his hand to pass East and West then proceeded to get into four hearts. East was an honor trick player who had not bothered to learn the point count system.

Now I want to show you the importance of this in the play of the hand. When South cashed the king of diamonds and led the ace, East trumped with a low heart. He led a low spade and took the finesse. North winning with the king. North knew that the only chance to defeat the contract was to outsmart East. He led the five of hearts. East immediately said to himself that South could not have the ace of hearts, otherwise he would have opened the bidding having three honor tricks. But if East had known the point count system, he would have known that South could have the ace of hearts and still not have an opening bid. Therefore, he would not have put up his king of hearts. As it was, South won the king with the ace and the contract was defeated.

I do not want to tell you that you should shift to the point count system. I say that you should learn all systems. You still might make the wrong play, but at least you would not make a blind play.

Ran Into Truck

William Clark of 22 East Chestnut street, operating a truck on Abruzzo street Friday about 4:40 p. m., reported that Michael Amato, 5, of 3 Grove street, darted in front of a parked car into the path of his truck. Although Clark swerved his vehicle, he told the police, the youth was injured about the shoulder and knee and was taken home.

Young Gully Injured

William Gully, 11, of 29 Rogers street, suffered an injured left leg Friday about 5 p. m. when he ran into the side of a car operated by Dr. Boris Kahan of 2965 Marlon avenue, New York, on Wurts street, police reported today. The boy was examined by Dr. Anthony M. Maurer at the Benedictine Hospital.

Steege Collides With Car

Harry Steege of 21 Furnace street, who ran into the left side of a car early today on Broadway, refused medical aid, the police said. According to the report, the vehicle was operated by Karl Koch of 75 West avenue. Koch offered to take Steege to the hospital but was refused.

Questions-Answers

Q—What type of ship was a privateer?
A—It was a private vessel authorized to cruise at sea and capture an enemy's ships and merchandise. Almost all civilized nations have now given up this practice.

Q—What is the life expectancy of the natives of India?
A—The average life expectancy at birth of a native of India is 27 years.

Q—What is the derivation of the word dollar?
A—The word is taken from the German thaler, an abbreviation of Joachimsthaler, a piece of money coined in the 15th century in Bohemia.

Q—Is it known where the gypsum in White Sands National Monument, New Mexico, originated?
A—Origin of the white sands is a mystery. One theory is that the gypsum was washed down, in solution, from nearby hills into an old lake bed where the dry atmosphere evaporated the moisture. Another theory is that underground beds of pure gypsum were dissolved and brought to the surface.

Q—How much sweeter than sugar is saccharine?
A—It is about 500 times as sweet as sugar.

So They Say...

I told the court . . . I am innocent. I am going to fight for my vindication no matter what kind of falls they put me in, no matter what amears are made against me, no matter what charges are leveled against me. And I know that in the end I will be vindicated.

—Judith Coplon, after being sentenced for espionage.

We believe that a company, like an individual, prospers only to the extent that it serves and that business is a business is a reliable sign of service.

Herbert E. Smith, chairman, U. S. Rubber Corp. denying government charges of violation of anti-trust laws.

The people of China must either side with imperialism or socialism. There must be no exception, no third line of action. Staggering the fence is a futile thing.

—Cheney Communist leader Mao Tse-tung.

The Nazi formula is being applied here with practically no variation from the way the Nazis were using it just 15 years ago.

—Dr. Edward U. Condon, director, National Bureau of Standards, criticizing government loyalty investigations.

They (cynics) tend to think the ideological differences between the East and West are irreconcilable. This is loose and dangerous thinking.

—Dr. Ralph Bunche, UN mediator.

Summer Show-Offs: Bare-Shouldered Blouses Put Fashion on a Budget

(Susquehanna Waist Co.)

New York (NEA)—Blouse and skirt fashions come together as a team to pull kiting prices down to earth for this summer's budget-minded Cinderellas.

Fine white broadcloth makes lace-trimmed or be-shouldered blouses which induce a pair of pretty shoulders to become ardent show-offs. The companion skirts are made of plaid or solid-color cottons with elasticized waistbands which keep a good grip on the slightly short-tails of tucked-in blouses.

This team is heading for the nation's grange halls, school gyms and rummage rooms where this summer the stomp of feet will be drowned out by whoops of the square dance caller.—EBS/KINARD, NEA Fashion Editor.

Good Taste Today

By Emily Post

(Author of "Etiquette," "Children Are People," etc.)

"GOING STEADY"

A mother writes as follows: "Do you think it wrong for young girls and boys to 'go steady,' as they say? It seems to be a widespread custom. I personally don't approve of my 16-year-old daughter devoting her time to one boy and going out to dances and school parties with him only. I think it's no way for her to learn the difference in boys. She argues that it's much better to have just one at a time; it eliminates jealousy and misunderstandings when a dance comes up and it's much better for a boy and girl to count on each other. I think many other mothers would like to read your discussion on the subject."

I do think it very nice to be able to count on a boy as a special friend, but I agree with you in thinking that it is an extremely bad plan to let one boy monopolize a girl's time to such an extent that she sees no others.

Tipping In A Restaurant

Dear Mrs. Post: When giving a dinner in a restaurant how much should be allowed for service, and should anything be given to the head waiter for himself?

Answer: Fifteen per cent would be quite enough divided between the waiters who serve you, and perhaps as much again to the head waiter if he has taken pains to help you choose an especially good menu, or to see that you had especially prompt service. On the other hand, if he does nothing for you, you need give him nothing.

Not M.D.

Dear Mrs. Post: Should Dr. Deeter, or M. D. be used on his wedding invitations?

Answer: Doctor is most proper, but Dr. is also possible. These two are the only correct ways of presenting the bridegroom's name on the wedding invitations.

Proper Sightseeing

Dear Mrs. Post: May two engaged couples go together and spend the week-end sightseeing in a large city? Must the girls stay at one hotel by themselves and the men in another?

Answer: Staying at separate hotels would definitely add to the propriety of the situation.

In leaflet, E-18, "An Etiquette Test," Mrs. Post has listed, with answers, 35 questions most frequently asked by her readers. To obtain a copy, send 5 cents in coin and stamped self-addressed envelope to her in care of The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail.

Contradicts F.B.I.

New York, July 23 (AP)—An ex-convict miner and Communist party official denied at the Red conspiracy trial yesterday that a party school he attended taught force and violence. Anthony Krichmarek, the ninth defense witness and party chairman in Cuyahoga county, Ohio, made the statement in disputing previous testimony of a claim that a copy, sent 5 cents in coin and stamped self-addressed envelope to her in care of The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail.

The main residence, buildings stand in a group among shade maples. There is an administration building in which the superintendent resides in the center, flanked on the east by the women's quarters, of which Mrs. Etta Richardson is matron, and on the west by the men's quarters, both two story brick buildings which are undergoing a paint job. The women's quarters have had the work about completed. A new porch floor is being laid at the administration building in preparation to painting the outside woodwork. The men's quarters will be next to receive attention. All of the work is being undertaken in a gradual way so as not to entail too much expense at any one period.

20-Day Infirmary

At the rear of the women's building is the two story brick infirmary building which is not in use at present. In this building are two wards, each with a capacity of 10 beds. In addition there are five rooms on each floor with two bed capacity. The infirmary has not been used since the state began the policy of reimbursing counties 80 per cent of the cost of maintaining welfare cases in private nursing homes, but could be used at any time. Off to the east is the little used isolation house where residents with communicable diseases may be segregated.

300 Fertile Acres

A flock of sheep was added to the farm a year ago at about the time the thoroughbred cattle were acquired. Beginning with a dozen Suffolk black faced sheep, the flock has grown to 24 and from the 12 old sheep this spring 80 pounds of wool was sheared. Included in the flock of sheep are three spring lambs which will furnish lamb chops very shortly.

Egg Supply Abundant

A flock of 250 laying hens which are now producing 66 per cent an average of between 60 per cent and 70 per cent supply the home with eggs, and also a surplus which is sold. In addition to the 250 New Hampshire Red hens, there are 350 young pullets which will begin to produce eggs shortly and 370 three-month-old roosters which will produce broilers and chicken later for the cook's pot. New Hampshire Reds are raised because of their egg laying capacity and also because they run six to eight pounds when used for meat, Mr. Hoffman explained.

The poultry section is supplied with water from automatic fountains recently installed. Water for the home comes from its own supply reservoir on the mountain some distance from the home and is thoroughly chlorinated by an automatic device.

In addition to the live stock there is a very considerable amount of farm produce and garden truck raised on the farm which lies on both sides of the highway.

Up to date 60 tons of hay has been harvested and there is a total of 50 acres in hay. There are 16 acres planted in field corn; 19 acres of silage corn; 18 acres of wheat and seven acres of oats.

Big Vegetable Crop

To provide corn for the residents of the home there are four acres of sweetcorn which in past years has produced an average of 150 bushels of ears. Eleven acres of potatoes, 3,000 tomato plants, 1,000 peppers, two acres of beans and a half acre of onions go to make up a mighty big garden. In addition to these staple crops there is also approximately two acres of small garden vegetables such as egg plant, carrots, beets, etc.

Those who have never visited the county home will be surprised at the neatness of the surroundings. Several old dilapidated buildings about the barns have been removed or repaired. The buildings are being gradually repaired and the outbuildings present a neat appearance. Roofs have been painted and repaired and the grounds were found neat and tidy.

The main residence, buildings stand in a group among shade maples. There is an administration building in which the superintendent resides in the center, flanked on the east by the women's quarters, of which Mrs. Etta Richardson is matron, and on the west by the men's quarters, both two story brick buildings which are undergoing a paint job. The women's quarters have had the work about completed. A new porch floor is being laid at the administration building in preparation to painting the outside woodwork. The men's quarters will be next to receive attention. All of the work is being undertaken in a gradual way so as not to entail too much expense at any one period.

Woman Dies in Blast That Wrecks Home

Suffield, Conn., July 23 (AP)—A terrific explosion which literally blew a seven-room dwelling apart, killed a woman, critically injured her husband and seriously injured their two sons here last night.

Planes Fly Again

New York, July 23 (AP)—Planes of the American Overseas Airlines will get back into the air today, following the end of a two-day strike by radio operators. The strike, which started early Thursday, had forced the airline to cancel all Europe-bound flights, and had grounded some U. S.-bound planes. Passengers, in most cases, got seats on other airlines, after brief delays. The 72 striking radio officers, members of the A.F.L. Flight Communications Officers Association, called off their stoppage yesterday.

Bus, Truck Collide

Brooklyn, Conn., July 23 (AP)—An interstate bus left Route No. 6 here yesterday and ran against a steep embankment, throwing more than 30 passengers from their seats and injuring six of them. State policeman Luke Clancy said the Greyhound bus, bound from New York to Boston, was in collision with a truck it was attempting to pass and shot off the highway. Officer Clancy identified the driver of the bus as Melvin Rietter, 36, of (1350 183rd street) Holke, N. Y., and the truck driver as Lee B. Brown, 39, of (79 Main street) Williamsville.

N. Y. Represented

London, July 23 (AP)—King George and his Queen were smiling, chatty hosts to 7,000 guests at Buckingham Palace Thursday in blazing sun. The guests—diplomats, military and naval officers and just plain tourists—swarmed freely as the royal family moved among them over sun-scorched lawns. Americans on the guest list included: Molly Gulon of (175 Center street) New Rochelle, N. Y., and Marie Siamahy Musgrave, Forest Hills, Long Island, N. Y.

Riverhead Has Storm

Riverhead, N. Y., July 23 (AP)—A lashing electrical storm burst over eastern Long Island last night, cutting off power in four towns and doubling parched farmhands. Power was off for a short period in Hampton Bay, Sayville, Amagansett and Cutchogue. One home in Jansport was struck by lightning, but the force of the rainstorm kept a fire from breaking out. Streets in Riverhead were flooded by the down-pour.

Argument on Borrowing From Woman, Serious

New York, July 23 (AP)—An argument early today over whether a man should borrow money from a woman had this chain of consequences:

A rifle was fired but no one was hit; a man leaped from a window and was seriously hurt; another man fell into the East river; and later was hooked on felonious assault charges.

Police gave this account: William Sarich, 37-year-old cab driver, approached a party in a second-story restaurant and borrowed \$5 from Martha Kelly Jackson, 40, William Levanos, 31, and another man present, objecting, saying a man shouldn't borrow from a woman.

The argument hit a climax when Sarich produced a rifle and fired at Levanos, who, unhurt, leaped from a window to the ground, suffering a possible broken neck.

Police later picked up Sarich, who said he had thrown the rifle in the East river. Taken there to help police search for it, he fell in. Dragged out by police, he was taken to a station house and booked on assault charges.

Police didn't find the rifle.

PRIVATE SALE
ANTIQUES

By order of Mrs. L. Hensbrack
Zinn, Woodstock
Hensbrack Family Antiques

CAT—Saturday—JH—JH—JH
Good advice at any time of the year: "Keep your wits and your windshield clear."

Service Station Man—How much gasoline does the tank in your car hold?

Autoist—I don't know. I never had enough money to have it filled after paying for the car.

Those hit-and-run motorists may think they get away with it; but their conscience will plague them for their cowardice for the rest of their lives.

Wife (in back seat)—Don't drive so fast, George!
Husband—Why not?
Wife—That policeman on the motorcycle behind us can't get by!

They do some things better in Britain. Over there a driver, found guilty of being drunk while driving, has been barred from driving for 60 years. Something along that line mightn't be a bad thing here in some cases.

They Can't Understand Us
A delegation of American workers, says a story from Lys Mykita, Munich, Germany, who were visiting the Soviet automobile factories, asked—the comrade:

American Worker—Who owns these automobile factories?
Soviet Comrade—The workers. They are common property.

American Worker—And who rides in these cars?
Soviet Comrade—Jim hmmm Comrade Stalin, all the members of the Politburo, our glorious army and the most illustrious Soviet patriots.

Sometime later, a Soviet delegation visited auto factories in America:
Soviet Comrade—Who owns these automobile factories?
American—Mr. X.

Soviet Comrade—And who rides in all these cars?
American—The American workers.

The Sticking Point
I've often wondered
Whence did it come,
The money the fool
Is parted from—

Randall, Top USGA Qualifier, Passes Up Tourney for Houston Trip

Having captured the district qualifying round in Albany this week for the second annual junior championship of the United States Golf Association, Leon Randall, sensational 16-year-old Wiltwyck Golf Club caddy, today announced that he was passing up the USGA-sponsored event in Washington, D. C., on July 27-30 to compete in the Junior Chamber of Commerce nationals in Houston, Texas, in August.

Dick Davenport and John Gleason, two other Wiltwyck entries in the Troy Country Club tournament, qualified with 76s and are expected to compete in the Washington tournament.

Randall won the medal in Albany with a three-over-par 74. He recently finished second to Richard Clark of Albany in the Jaycee state championships at James Baird links.

The Wiltwyck phenom had an unusual round with an outgoing 35 that included three birdies and a homecoming 39, spoiled by a seven on the par-5, 510-yard 11th hole, where he hooked into the rough and needed a couple of shots to get clear. He finished well on each nine, with a birdie, holing a six-footer on the ninth and a 20-footer on the 18th.

Jack Moynihan, Albany Times-Union golf champ, was a stroke

behind Randall with a 75. He had a stroke advantage over Randall going to the 18th green but went over with his approach and needed a bogey-5.

Par and cards of the leaders:

Par Out	434	544	534-36
Randall out	443	445	543-35
Moynihan out	444	545	624-38
Par In	453	443	444-35
Randall in	574	444	443-39
Moynihan in	464	443	345-37

	OUT	IN	TOT.
1. Leon Randall, Wiltwyck Club	35	39	74
2. Jack Moynihan, Frear	38	37	75
3. Dick Davenport, Wiltwyck	36	40	76
4. John Gleason, Wiltwyck	41	35	76
5. Gerald Wells, Wiltwyck	39	38	77
6. John Snyder, Frear	40	38	78
7. W. B. Stevens, Schuyler Meadow	42	39	81
8. Tom Connelly, Wyantuck	43	40	83
9. Charles Bostic, Wiltwyck	41	45	86

Colonials Trounce Stamford, 12-5; Bridgeport Bees Here Tonight

Watzka Brothers Star as Franks Rout Colonial Merchants 10 to 2

Jackie Pitches Two-Hitter

The Watzka brothers—Jack, Joe and Bob—made Frank Sport Shop's decisive 10-2 victory over Colonial Merchants a family affair last night in the City League.

Big Jack turned in another brilliant pitching performance, two-hitting the Merchants into submission, while brother Joe went "2 for 2" with two hits, three walks and five runs batted in.

Bob Watzka managed a single in two trips just to keep a piece of the franchise.

Nicholovich clouted a home run for the winners in the seventh and added a single. His drive sailed over the left field fence just above the outstretched hand of Duke "Henrich" Freer.

Rybinaker Bumped

Ed Rybinaker, who opened "the season" like a bull of fire and then tried to pitch every day in the week, bore the brunt of the Franks' massing, yielding nine hits and eight runs in less than five innings. Vince Clearwater mopped up.

Four members of the Franks' squad—Ferraro, Joe Watzka, J. Davis and DuBois—had two hits apiece.

TWILIGHT TALES—Nicholovich wins a table lamp from Kuplan Furniture, a carton of cigarettes from Len Siekler and a quart of ice cream from Ambrose Brothers for his homer. Our hero, "Duke" Freer made the catch of his life in the fifth inning when he snared Barber's liner one-handed and the bases loaded, no. Bob "Glen" Tierney unimpeded on the bases as a replacement for Johnny Prunell and did a nice job. "Gee" could be a candidate next year. "Red" Corsline has been converted from an outfielder to a shortstop and from the sidelines it looks as if it should have happened a long time ago. "Red" looks like he owns the position.

A. Gerlak In Again!

Alex Gerlak, Twaalfskill Golf Club professional, won the weekly Eastern New York Golf Association tournament with a three-under-par 66 this week at the Mohawk Country Club in Schenectady.

The Twaalfskill veteran dropped a 45-foot putt on the first green and went on to card rounds of 33 and 35. Armand Farina, of Schenectady, was second.

Yacht Racing

Cowes, England—The United States gained permanent possession of the British-American cup for six meter yachts by taking a fourth straight victory after losing the opening two races last Saturday and Monday.

Llanoria, piloted by Emil Mossbacher, White Plains, N. Y., was first in three of four races won by Americans.

General

Minneapolis—Thomas A. Estes and Eugene Jensen of Minneapolis won second straight 450-mile canoe race down Mississippi river in record time of 56 hours, 53 minutes and four seconds.

Birmingham, Ala.—Sponsors of annual New Year's day Dixie Bowl football game said they would not attempt to put on another next January 1, but hoped to resume in future years.

Danbury Marksman

Cracks 100 Targets

Syracuse, N. Y., July 23 (AP)—Trophoscules aim for the state doubles and state handicap titles today.

M. D. Clark of Danbury, Conn., shattered 100 consecutive targets yesterday to win the State Open crown in the 88th annual New York State Trapshoot Championship.

Shooting for the Class A state singles title ended in a three-way tie when C. J. Becker of Endicott, L. Wyckoff of Cortland and Rybinaker of Cortland each brought down 97 targets out of 100. There was no shoot-off.

plays: Franks 1, Barber-Corsline-Joe Watzka. Left in bases: Franks 13, Merchants 3. Bases on balls: Rybinaker 6, Watzka 3, Clearwater 2, Strikeouts: Rybinaker 2, Watzka 3, Clearwater 3, Hits off Rybinaker: 9 for 8 in 4 2/3 innings. Clearwater 3 for 2 in 2 1/3 innings. Jack Watzka 2 for 2 in 1 inning. Hit by pitcher: Rybinaker 1, Clearwater 1. Passed balls: Ferraro. Winning pitcher: Jack Watzka. Losing pitcher: Rybinaker. Umpires: Schwab and Tierney. Score: Messenger, Time 1:45.

Fox Favored In Kiwanis Tennis

Veteran Chet Fox is a heavy favorite to win the singles division of the Kiwanis Club tennis tournament in the payoff match Sunday at 2 p. m. at Forsyth Park.

Fox, who trounced N. Jansen Fowler, 6-2, 6-0, will meet the winner of the Neumont Culver-Matty Weishaup match which was scheduled at 2 p. m. today.

Fox's victory over Fowler establishes him as a solid choice to win the crown, although either Culver or Weishaup is capable of upending him on a good day.

Play in the doubles division was scheduled to start over the week-end.

MAJOR LEAGUE ROUNDUP

By The Associated Press

By JACK HAND

Shades of 1946. It looks like another Brooklyn-St. Louis photo finish in the National League.

Separated by only 1 1/2 games with 10 full weeks to go, the one-two clubs appear ready for another long scramble to the wire. Boston still is in the race and the Phillies and New York Giants have an outside chance, but it figures to be either the Dodgers or Cards at this stage.

George (Red) Mungler clipped a four game off the Dodgers' slim lead last night with a 3-1 victory in the opener of the year's first "crosstail" series in the National. The Cards could leave town in first place if they could sweep the set, ending Monday afternoon.

Braves Win

The Braves moved within six games of the Dodgers by downing Pittsburgh, 5-3, but their victory may have been costly. Vern Bickford was carried off the field with an injured left instep after being struck by Clyde McCullough's line drive in the seventh. As Bickford is the defending champs' top pitcher with 12, his absence for any extended period would be a vital blow to their chances of repeating. Eddie Stanky was blanked after hitting in 19 consecutive games.

Robbie Roberts saved a win for Russ Meyer by taming Cincinnati with the bases loaded and none out in the eighth inning for a 2-1 Phil triumph. Roberts couldn't hold Meyer's shutout but escaped with the decision by allowing only one run on a force play.

Hank Sauer's 19th homer with a man on helped Chicago down the New York Giants 4-3, as Johnny Schmitz survived 11 Giant hits to go the route. Sam Webb, who relieved Monte Kennedy in the fifth, dished up the home run ball to Sauer in the seventh to suffer his first loss.

Byrnes Times Tigers

Tommy Byrnes tamed Detroit with five hits, 8-2, protecting the New York Yankees' 5 1/2 game lead over Cleveland in the American League. Byrnes' fourth success against the Tigers this season was the Yankee skipper's win in 10 starts of the current western trip.

Thurman Tucker, Larry Doby's replacement in the Cleveland outfield, drove in both runs in the Tribe's 10-inning 2-1 squeaker over Washington. This second single scored Pitcher Mike Garcia with the tie-breaking run in the tenth. Garcia was superb with a six-hit shutout to make his 8-1. It was his second straight six-hit victory.

Vern Stephens hit his 24th homer and Ted Williams blasted No. 23 in Boston's 4-2 verdict over the St. Louis Browns. Mel Parrell gave up eight hits to six off Ned Garver in registering his 13th win. Dom DiMaggio extended his

Would Close Rolls

New York, July 23 (AP)—City Investigation Commissioner John M. Murphy, who has been probing racketeering on the city's waterfront, wants the A.F.L. International Longshoremen's Association to stop taking in new members. He made the recommendation yesterday, declaring that there already are too many workers to handle available dock jobs, and that too many of the workers earn less than a living wage. Murphy said 45,958 longshoremen were on the payroll in the fiscal year ending September 30, 1948, including many "transient" workers. Half of them earn less than \$2,400 a year, he said, and less than 5 percent worked a yearly total of 2,000 hours.

Dies at His Party

New York, July 23 (AP)—Last night was a big night for middle-aged Edward Rubenstein—a happy party of friends, a Manhattan supper club, and a big birthday cake in his honor. Rubenstein had just finished a dance at the Versailles Restaurant when a heart-walter brought the birthday cake to his table. Seven friends grouped around him. Rubenstein prepared to eat it. Other diners stopped their conversations to watch. As he raised the knife, the laughter suddenly stopped. Rubenstein fell to the floor, dead from an apparent heart attack. Friends said Rubenstein was a bachelor and was president of a women's wear firm here.

The Weather

SATURDAY, JULY 23, 1949.
Sun rises at 4:34 a. m.; sun sets at 7:36 p. m. E.S.T.
Weather: Fair.

The lowest temperature recorded on the Freeman thermometer during the night was 70 degrees. The highest figure recorded up to noon today was 78 degrees.

Weather Forecast

New York city and northern New Jersey.

Sunny and warm but less humid today with a high in the mid 80's. Clear and not so warm tonight. Mostly sunny with little change in temperature Sunday. Low tonight in the mid 60's, high Sunday 85 to 88. Moderate to fresh northwesterly winds today becoming moderate southeasterly in afternoon.

Eastern New York—Fair, not as warm and humid, highest temperature about 82 today. Fair and cooler tonight, Sunday fair.

Local Death Record

Loren Bulcy of Cold Brook died Friday at his home following a long illness. He is survived by his wife, Mabel Winnie Bulcy; two brothers, William of Maybrook; and Alva, Ashokan; and a sister, Mrs. Lester Abbott of Maybrook. Funeral services will be held on Monday at 2 p. m. at the Gormley Funeral Home, Phoenixia. Burial will be in the Mt. Pleasant Rural Cemetery.

Funeral services for Mrs. Grace Williams Lahl, of Ontario Trail, wife of Arthur Lahl, were held from the residence on Friday at 2 p. m. and were largely attended. There was a profusion of floral pieces. The Rev. William A. Irish, assistant pastor of the First Reformed Church, officiated. Burial was in Woodstock Cemetery. The bearers were Robert Teetsell, Mark Huling, George Norton, Joseph Seully, Charles Nestel and John Napoleon.

Mrs. Hermine Kohner, of Glenford and New York city, died in Kingston on Thursday, July 21. She leaves a son, Arthur Kent of New York; and a daughter, Mrs. Harold Elliott of Rochelle Park, N. Y. Funeral will be held from the Lasher Funeral Home, Woodstock, on Monday, July 25, at 9:30 a. m. and at St. John's Church, Stony Hollow, at 10 o'clock where a high Mass of requiem will be offered by the Rev. Father James L. Mordant. Burial will be in St. Mary's Cemetery, Kingston.

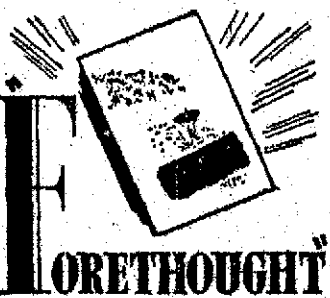

DIED

BULEY—At his home after a long illness on July 22, 1949, Loren Bulcy of Cold Brook, N. Y., beloved husband of Mabel Bulcy, nee Winnie, loving brother of William of Maybrook, N. Y., Alva of Ashokan, N. Y., Mrs. Lester Abbott of Maybrook. Funeral services on Monday afternoon at 2 o'clock at the Gormley Funeral Home, Phoenixia. Interment in the Mt. Pleasant Rural Cemetery.

KOHNER—Hermine, at Kingston, N. Y., on Thursday, July 21, 1949; beloved mother of Arthur Kent and Mrs. Harold Elliott. Funeral services at the Lasher Funeral Home, Woodstock, on Monday, July 25, at 9:30 a. m. and at St. John's Church, Stony Hollow, at 10 a. m. where a high Mass of requiem will be offered. Interment in St. Mary's Cemetery, Kingston. Friends may call at the funeral home at any time.

KROM—At Marlborough, New York, July 22, 1949, Russell C. Krom. Funeral at the parlors of A. Carr & Son, 1 Pond street, Kingston, on Monday at 2 p. m. Relatives and friends are invited. Interment in Fairview Cemetery, Stone Ridge, New York.

Woman Safe After Night in Woods

Mrs. Frieda Ledigard of Route 2, Box 57, Woodstock, started out from her home in the vicinity of Zena last evening about 7:30 o'clock to go to Zena to view a piece of property. Enroute she took a short cut and became confused, losing her way in the woods. Justice George Brandly shortly after dusk heard a woman calling from the woods. The calls continued and at 10:30 Justice Brandly called the sheriff's office for aid. He and Deputy Sheriff William Frost had been searching the area. Deputies Sapp and Keator were sent out to assist in the search and later Deputy Frost notified the office that the woman had been located in the woods. Assisting in the search was Frederick August Marsini of 56th street, Brooklyn, a son.

Mrs. Ledigard was located about 12:15 o'clock this morning none the worse for her experience, except for torn clothing, and at 1:45 o'clock this morning she was returned to her home.

Labor Government

Wolverhampton, a sprawling community of 133,000, is 15 miles from the steel center of Birmingham. Churchill made the trip from London by plane.

Biting Remarks
The pugnaous old veteran lashed at his Labor government opponents with the biting remarks of his wartime speeches.

He denounced "the new caricature of state monopoly which these shallow Socialist bigots are thrusting upon us."—The Labor party proposals to nationalize steel, cement, sugar and insurance.

"All these depend upon the result of the election," Churchill added. "For if the nation gives us the power—I tell you very plainly this afternoon—we will reverse or prevent every one of them."

The Conservative leader described British socialism as a "dangerous and costly fallacy" of which the nationalization of coal mines, railroads, airlines, gas and electricity was the "most direct expression."

At the same time he explained why the Conservative party election platform pledged to retain most of the nationalization projects already placed into effect by the Labor government.

a direction to Hoffman to try to get the British and French not to dismantle as many German industrial plants as planned in an agreement last year.

But Lucas said no fight will be made in the Senate to avoid the 10 per cent cut in E.C.A.'s overall funds made in the committee. The group reduced the total for second year's recovery operations to \$3,778,000,000 from the \$4,198,000,000 asked by Hoffman.

Held in Shooting
Los Angeles, July 23 (AP)—Four men, three in San Francisco and one here, were taken into custody today and one man was released in the latest developments of the Mickey Cohen shooting. San Francisco police arrested James Parantoni, editor of a Hollywood film trade publication; Hy Porter, his San Francisco representative; and Joseph Tenner, San Francisco nightclub owner. They were picked up at the request of Sheriff Eugene Biscailuz of Los Angeles county and booked for route to Meigsdale, Pa., where Cohen was shot.

Meigsdale, one of three other men named by Sheriff Biscailuz as wanted for questioning in the case, was apprehended here today. He is Tony Brancato, ex-convict once queried in the Bugsy Siegel slaying two years ago. Another of the trio, Joseph E. Messina, 35, size right manager who surrendered yesterday, was released after intensive questioning.

Appeal to Truman
Honolulu, July 23 (AP)—Striking C.I.O. longshoremen appealed to President Truman today to end Hawaii's 84-day dock tieup "on its merits." Their appeal echoed a Washington request by Sen. Frank J. La Follette (D-Ore.), who told the Senate yesterday the strike may spread to the world's major ports. He assailed Hawaii employers for rejecting arbitration.

Shuffle Fans Hurt
Chautauque, N. Y., July 23 (AP)—A runaway automobile injured a Long Island couple while they were watching a shuffleboard match here yesterday. Deputy Sheriff Norman Becker said the car, owned by John E. Williams of Shaker Heights, O., rolled 700 or 800 feet down a steep grade and crashed into a bench occupied by James H. Evans, 57, of Great Neck, and Mrs. Evans.

Quake Is Recorded
New York, July 23 (AP)—A sharp earthquake shock, centering at an estimated 110 miles from New York city was recorded today on the Fordham University seismograph. The Rev. Joseph J. Lynch, university seismologist, said the first shock was recorded at 4:12:03 a. m. (E.S.T.) and the second at 4:14:29 a. m. The direction was undetermined.

To Get Work Decorations
Warsaw, Poland (AP)—The Communist-led Warsaw government, constantly urging more and more work, is adding two new decorations to the long list already being awarded to Poles who work the hardest. The new orders are called "Banner of Work" and "Builders of People's Poland." Much along the lines of the so-called "Stalin award" system in Soviet Russia, directors in all branches of industry are encouraging workers to exceed their production targets.

Held as Possible 'Hearts' Planner

Wythoville, Va., July 23 (AP)—State police said today they were contacting authorities in "almost every state" for information on Ernest I. Torrence, the man they are holding as a "lonely hearts correspondence" victimizer of women.

Torrence, 57, was arrested last Saturday night near Gate City, Va., after he made an unsuccessful attempt to pick up a woman in that town's railroad station, police said.

Tipped by railroad detectives, state troopers overhauled his car after a 15-mile chase over curving mountain roads.

Police Lieutenant C. W. Blue said some "300 love letters" in a suitcase in Torrence's car touched off the "lonely hearts" probe. A Carroll County, Va., woman accuses Torrence as the man who made off with \$2,500 of her money for investment in a "Florida land deal" after he had promised to marry her.

In Pittsburgh, Mrs. Annie Annin said last night she believes Torrence is the man who ran away with her life savings of \$14,000. She said the man had promised to make investments for her after he courted her 30-year-old daughter.

Pennsylvania State Police said they want to know if Torrence knew Mrs. Rose Pletcher, a former resident of Johnstown, an officer said. Mrs. Pletcher's name was found in an address book Torrence had.

Police said Mrs. Pletcher wrote a neighbor on May 27 that she had been married to "Charles E. Webb of Philadelphia." She could not be located in Johnstown.

The state of Virginia has charged Torrence with grand larceny and embezzlement. Allegheny county, Pa., authorities hold a warrant for Torrence on a charge of fraudulent conversion, Blue said.

Virginia questionnaires have brought investigation requests also from Waycross, Ga., and Berryville, Md.

Three Killed as Truck, Two Autos Collide

Croton, N. Y., July 23 (AP)—Two persons were killed and two others injured late yesterday in a three-way collision between a trailer truck and two autos.

Police identified the dead as Herbert W. Seibert, 51, of Pikesville, Md., and Earl Merritt, 16, of Croton. Seibert's car, police said, smashed head-on into the trailer truck as it tried to pass another auto on the Albany Post Road.

The truck, driven by Edwin Jackson, of Mechanicville, N. Y., went out of control after the collision and struck a third car. Police said the occupants of the third car, Frank J. McTearney, 80, and William Morse, 20, both of Painted Post, N. Y., were injured. Jackson, police said, was booked on a technical charge of vehicular homicide and released in his own recognizance.

Would Delay on Arms

Washington, July 23 (AP)—Senators Taft (R-Ohio) and Smith (R-N.Y.) called on the administration today to delay its foreign arms program until the new North Atlantic Council drafts common defense plans. Smith, who voted for the security treaty when the Senate ratified it Thursday, said a reporter he doesn't believe there should be "piece-meal action" on rearming western European signers of the pact. "I hope the administration will delay submitting any arms program until the defense committee, to be set up by the council under article 9 of the treaty, can canvass the needs and agree upon an overall defense plan," Smith told a reporter. Taft, who voted against the treaty, said in a separate interview he agrees there should be a study of the needs of the European countries before Congress is asked to act.

Young's Kin Arrive

Chicago, July 23 (AP)—Two spry little old ladies sashayed into town yesterday to enter the railroad fair. They are the only surviving children of Brigham Young, Mormon pioneer who wed 19 women and fathered 56 children while making a home for his people in the Utah wilderness a century or so ago. Young led a band of Mormons to the valley of the Great Salt Lake in 1847 in a flight from mob violence at Nauvoo, Ill., where the Mormon prophet, Joseph Smith, was murdered in 1844. The Chicago visitors were Mrs. Fannie Clayton, 79, 56th of the Young progeny, born when her father was 70 and her mother 26; and Mrs. Mabel Sanborn, 86, Young's 54th child.

Not Kluxers, He Says

Atlanta, July 23 (AP)—Grand Dragon Samuel Green says there is no such thing as a "Ku Klux Klan" so far as he is concerned. What he heads, the Atlanta physician explained yesterday, is a "fraternal organization" known as the Association of Georgia Klans. "It is made up of Klans," he went on, "and to uphold and enforce until death" the constitution and the law and to aid in the "pursuit of happiness."

Hunan in Danger

Canton, China, July 23 (AP)—The Communist danger grew in Hunan province today in a major offensive which imperils Nationalist south China. Private reports from the front hinted the Reds already may have isolated Changsha, Hunan's capital 400 miles north of Canton. Conditions in Chuehchow, 30 miles south of Changsha, were described as chaotic.

U.A.W. to Vote

Buffalo, N. Y., July 23 (AP)—The 300-member C.I.O. United Auto Workers Local 515 will vote tonight on ratification of a two-year contract with the Bell Aircraft Corp.

Home-Coming for Circus Star

When Biller Brothers Circus plays on the parking lot at the Kingston Municipal Stadium, Tuesday, Aug. 2, the date will be like a home-coming for one of the featured performers, Marion Knowlton, shown with Pal, one of her center ring elephants. The personable young lady, famous from coast to coast as a woman animal trainer, wintered in Kingston some years ago, and made many friends. Although she's partial to elephants as performing pets, she has trained and appeared in acts with many kinds of animals all over the nation. Miss Knowlton will be remembered as the star in the lion act that appeared at the municipal auditorium some years ago, in which she was part of a tableau supporting two large kings of the jungle with their front paws on her shoulders. Biller Brothers will play at the stadium of North Front street and Washington avenue, August 2, under the sponsorship of Wick Engine Co.

Panther and Gorilla Meet in Bloody Fight

Spokane, Wash., July 23 (AP)—A black panther and a 300-pound gorilla locked in a bloody two-hour fight last night after the cat slipped under the gate of an adjoining cage at a traveling wild animal show.

The gorilla finally was shot and killed after attendants made vain attempts to get the animals apart. Ruby Smith, trainer and part owner of the show, fired three bullets from a .32 calibre pistol into the body of the gorilla.

A crowd estimated at 400 persons was cleared away before the shots were fired. The panther was badly cut about the head and shoulder. After the battle, the panther was fed meat and attendants pulled the carcass of the gorilla out of the cage. Rags soaked with chloroform were pushed into the cage to "calm down" the raging cat.

The panther, gorilla and a 600-pound lion were being exhibited in a giant cage separated by gates that opened from the bottom.

Al Meyers, manager of the show, said one gate apparently was left unlocked after the cage was cleaned yesterday, and was partly pried open by the gorilla. Then the panther slipped underneath and leaped into the gorilla's cage while the huge lion roared and tried to get into the fight.

The panther charged away at the gorilla's arms and the latter attempted to protect himself with his massive paws.

Meyers said one arm of the gorilla was almost torn off in the fight.

Workers Asked Cut

Shanghai, July 23 (AP)—The Communist-controlled Chinese press today splurged stories that workers at the great southeastern cigarette factory here voluntarily asked for a pay cut. This is the first indication the local regime is tackling the critical labor situation through propaganda media. The newspaper said "workers realize the factory was in financial difficulties and a heavy payroll might cause it to close." One employee was quoted as asking that his shift be increased from eight to ten hours daily.

Money Showers

Rome, July 23 (AP)—Someone in Argentina is reported showering so much money on residents of the north Italian city of Modena that police there are getting curious. The mysterious benefactor calls himself only "an emigrant from Modena." Dispatches say he has been sending postal money orders for \$50 each to Modenseses—mainly students. So far some \$2,500 is reported to have arrived.

Two Arrested On Firearms Charge

There has been considerable complaint recently of people shooting firearms in places to endanger the public. On Friday Deputies Keator and Sapp were sent to investigate a complaint of such an incident near the Esopus creek bridge.

Two local people were placed under arrest on a charge of discharging firearms where people are liable to be hit, a provision of the Public Safety Law. Arrested was Raymond Walter Hoogler, 26, of 10 Valley street, and Charles L. Gardner, 21, of 37 Lucas avenue. Taken before Justice of the Peace Percy Bush they were fined \$5 each. It was charged they had discharged a .22 calibre rifle in the vicinity of the Esopus creek.

A.L.P. Secretary

Law unconstitutional. He declared that the commissioner "demonstrated contempt for constitutional rights and unfidelity to his position by his dispositive to school boards to launch a political inquisition into beliefs and activities of teachers under the Feinberg Law." Sponsors of that law said it was aimed at Communists. It is intended to strengthen bans in the State Education and Civil Service Laws against employment of persons who advocate forceful overthrow of the U. S. Government.

Costly Dream Train

Buffalo, N. Y., July 23 (AP)—The night train to Niagara Falls may be a dream train to honeymooners but it's strictly a nightmare to the New York Central. It cost the railroad \$98,940 in deficits to operate the train on the 28-mile Buffalo to Niagara Falls branch during the past three years, according to Raymond E. Mann, special agent for the Central.

Named to Grand Union Management Committee

William Kelly, manager of the Grand Union Super Market at 593 Broadway, has been named a member of the company's management committee for a three-month term. He will attend his first meeting as a committee member on Tuesday, July 26, at the Grand Union's executive headquarters at 50 Church street, New York city.

The management committee comprises nine men, all store or department managers of one of Grand Union's 300 markets operated in the six northeastern states of Connecticut, Massachusetts, New Jersey, New York, Pennsylvania and Vermont. It meets on the last Tuesday of each month in New York.

The committee considers and studies management problems at the store level and makes recommendations on the basis of its deliberations to the Grand Union executive staff. Many of the recommendations are now practice and policy throughout the Grand Union chain.

Kelly became manager of the Kingston Grand Union store in March 1946 following his return from service. Prior to the war, he managed the company's market at Liberty. He has been a member of the Grand Union organization since 1938.

Senate Committee

compared with 1,716,000 in May. Initial claims, representing new unemployment, rose from 337,400 to 341,000 during the week ending July 16, latest on record, the bureau said.

New Weekly High

Continued claims, representing weeks of unemployment among covered workers, rose from 1,982,000 to 2,182,000—a new weekly high.

All but five states reported increases during the July 16 week. "The largest increases in continued claims—46,200 in Pennsylvania, 29,300 in New York and 16,000 in Alabama—were primarily due to postponed claims from the July 4 holiday," Goodwin said. He said there were scattered reports of recidivism of workers, but they were not extensive enough to be significant.

Eleanor Refuses...

traditions of our nation. To change these traditions by changing our traditional attitude toward public education would be harmful. I think to our whole attitude of tolerance in the religious area."

Blood Program Is

hospitals; 3—endorsements by Red Cross chapters; and 4—endorsements by the health departments.

Also reporting before the annual dinner meeting was Marilyn Malmes, president of the Junior Red Cross at Kingston High School, who told of her recent trip to the national convention at Atlantic City, N. J., on June 27 to June 30.

Shufeldt Cited
Alexander B. Shufeldt, vice-chairman of the local chapter, was cited for his extensive work in the recent fund campaign by Fabian L. Russell, chairman.

Russell spoke of Shufeldt's work when he said "his reputation has exceeded the bounds of Ulster county." Russell later presented Shufeldt with a citation from the American National Red Cross in recognition of his services in the 1949 fund campaign.

Chapter Officers
Officers of the local chapter named during the dinner meeting included the following:

Fabian L. Russell, chairman; G. Wallace Codwise, vice-chairman; Alexander B. Shufeldt, vice-chairman; Robert E. Murray, treasurer; and Charlotte W. Tappen, secretary.

Thirteen new members of the board of directors are Fabian L. Russell, G. Wallace Codwise, Alexander B. Shufeldt, Mrs. Charlotte W. Tappen, the Rt. Rev. Monsignor Stephen P. Connolly, Mrs. Edward B. Loughran, New York; Mrs. Leonard Fletcher, Mrs. William E. Ecker, Elmville; Dr. Bartholomew J. Datto, Mrs. Vincent G. Connolly, James C. Plunkett, Miss Sara J. Ismel and Mrs. Roger G. Billings.

Walter T. Tremper acted as chairman of the nominating committee in place of the Rev. Henry E. Hordegen, chairman, who was unable to attend Thursday's meeting.

Watchman Shot

Greenwich, Conn., July 23 (AP)—Grover S. Hart, 68, of Greenwich, was accidentally shot and critically wounded by a burglar early today at a yacht club where he was employed as a night watchman. A hospital spokesman called his condition extremely critical. Det. Capt. James T. Henley, heading the investigation, said six shots were fired at Hart by an intruder whom he discovered entering the club.
